

Passion Flower Doily

The middle of this doily reminds me of passion flowers, hence the name!

The finished doily is about 17cm across (I haven't blocked this – I didn't want drape for the project I've used it for). If you prefer a smaller size, e.g. for coasters, you can finish at round 7 or 9 instead.

Materials:

- Dk yarn – I used Sirdar Snuggly Whispers dk (100% Bamboo). I estimate less than half a ball – 25g or around 40m.
- Size 4mm hook

Pattern:

The pattern is worked in the round. Begin with a magic ring.
