

## Atlantic Lace Shawl UK

### Materials:

730m (200g) fyberspates  
scrumptious 4ply sock yarn in  
Dandelion and Burdock (Dark  
Purple)

110m (32g) fyberspates  
scrumptious 4ply sock yarn in  
Water (Grey Border)

3mm hook

192 Beads (optional)

Stitch markers (at least one for  
the central stitch, and more to  
help with counting if you like)

### Pattern:

The pattern is worked from the centre top out in rows. Increases are made at the start, centre and end of the rows. Ch1 at the start of an dc row does not count as a stitch. The first 3 chains at the start of a v-stitch row count as a tr stitch. Please see the final page for full stitch counts (omitted here for clarity). Refer to the charts also (available from the blog post).

#### The first section forms a Ridged Single Crochet stripe:

Aside from the first row of single crochet in any stripe, work in the back loop only to make the ridges.

**R1:** ch2, 5dc in 2<sup>nd</sup> ch from hook (5sts).

Place a stitch marker in the central stitch – mark the central stitch throughout the project.

**R2:** ch1, turn, (2dc) in first st, dc, (3dc) in centre stitch, dc, (2dc) in final stitch (9sts).

**R3-9:** ch1, turn, (2dc) in first st, dc in each st until the marked central stitch, (3dc) in centre stitch, dc in each st until the final stitch, (2dc) in final stitch (37sts at end of R9).

#### The second section forms a V-stitch stripe:

**R10:** ch3, turn, \*(tr, ch1, tr) in next stitch, sk2 sts, repeat from \* until there is one stitch before the central stitch, sk1 st, (2tr, dtr, 2tr) in central st, sk1 st, \*(tr, ch1, tr) in next stitch, sk2 sts, repeat from \* until one stitch remains, tr in final stitch (43 sts).

**R11:** ch4, turn, tr in same st (this counts as a v-stitch), \*(tr, ch1, tr) in next chain space, repeat from \* until 2sts before central st, (tr, ch1, tr) in the space between these two tr sts, tr in central st, , (tr, ch1, tr) in the space between the next two tr sts, \*(tr, ch1, tr) in next chain space, repeat from \* into

each remaining ch-sp, (tr, ch1, tr) in final st (this is the top of the turning chain from the last row) (49sts)

**R12:** ch3, turn, \*(tr, ch1, tr) in next ch-sp, repeat from \* until the central stitch, (2tr, dtr, 2tr) in central st, \*(tr, ch1, tr) in next ch-sp, repeat from \* into each remaining ch-sp, tr in final stitch (this is the top of the turning chain from the last row) (55sts)

**R13:** Repeat R11 (61sts)

Now work the second Ridged Single Crochet Stripe (R14-22):

**R14:** Repeat R3, but through both loops of the sts (or into the ch-sp as appropriate) (65sts)

**R15-22:** Repeat R3 working in the back loops only (97sts at the end of R22)

Continue working stripes as follows:

**R23-26:** Repeat R10-13 (4 rows of v-stitch) (121 sts at end of R26)

**R27-35:** Repeat R14-22 (9 rows of dc) (157sts at end of R35)

**R36-39:** Repeat R10-13 (4 rows of v-stitch) (181 sts at end of R39)

**R40-48:** Repeat R14-22 (9 rows of dc) (217sts at end of R48)

**R49-54:** Repeat R10-13 and then R12 and R13 (6 rows of v-stitch) (253 sts at end of R54)

**R55-60:** Repeat R14-19 (6 rows of dc) (277sts at end of R60)

**R61-68:** Repeat R10-13 and then R12-13 twice (8 rows of v-stitch) (325 sts at end of R68)

**R69-74:** Repeat R14-19 (6 rows of dc) (349sts at end of R74)

**R75-84:** Repeat R10-13 and then R12-13 three times (10 rows of v-stitch) (409 sts at end of R84)

**R85-87:** Repeat R14-16 (3 rows of dc) (421sts at end of R87)

At the end of R87 you will have 210 sts on each side and one central stitch. Ch1 and rotate to work across the top edge of the shawl.

Dc evenly along the top edge (to neaten this edge). (Alternately skip this step and instead single crochet along the top edge in the border colour once you have completed the border.)

Fasten off and weave in ends.

### **Border:**

Read the notes on adding beads before starting the border.

### **Adding Beads:**

I suggest threading on the beads after Edge Row 4 by fastening off the yarn, threading on the beads, and then rejoining. This saves on constantly sliding the beads down the yarn. However you may thread them on before you start the border if you prefer.

All beads are placed either on a tr or dtr post by working as follows: work the stitch as usual until 2 loops remain on hook. Slide up a bead close to the work. Yarn over hook (making sure the bead is caught behind the hook) and draw through both loops to complete the stitch. The bead will be on one side of the post of the stitch you have just worked.

### **Beaded Shell 1:**

(Ch1, tr, ch1, dtr, ch1, tr, ch1) in to the next dc stitch. Insert a bead on each tr and dtr so that 3 beads are inserted.

### **Beaded Shell 2:**

(Ch2, dtr, ch1, tr, ch1, dtr, ch1, tr, ch1, dtr, ch2) into the dtr st made in Beaded Shell 1 in the row below. Insert a bead on each dtr and tr made so that 5 beads are inserted.

Join the yarn to the final stitch of R87.

**Edge Row 1 (ER1):** Ch1, \*dc, ch3, sk2sts, dtr, ch3, sk2sts, repeat from \* to end (there will be a dc in the central st – keep this marked).

**ER2:** ch6, turn, \*dtr in dc, ch2, dc in dtr, ch2, repeat from \* until you have just worked a dtr into the central st, (ch3, dtr, ch3, dtr) also into central st, \*ch2, dc in dtr, ch2, dtr in dc, repeat from \* to end, ch2, dtr into final st (so there are two dtr's in this stitch).

**ER3:** Ch6, turn, dtr into dtr, ch3, dc into dtr, ch3, \*dtr into dc, ch3, dc into dtr, ch3, repeat from \* until central stitch, (dtr, ch3, dtr, ch3, dtr) into central st, \*ch3, dc into dtr, ch3, dtr in dc, repeat from \* to end, ch3, dtr in 3<sup>rd</sup> ch of the ch6 loop, ch3, tr in same ch.

**ER4:** ch6, turn, dtr in tr just made, ch2, dc in dtr, ch2, \*dtr in dc, ch2, dc in dtr, ch2, repeat from \* until you have just worked a dtr into the central st, (ch3, dtr, ch3, dtr) also into central st, \*ch2, dc in dtr, ch2, dtr in dc, repeat from \* to end, \*ch2, dtr into 3<sup>rd</sup> ch of the ch6 loop, repeat from \*(so there are two dtr's in this stitch).

Fasten off and thread on the beads (if you have not already threaded them on and are adding beads). Rejoin the yarn.

**ER5:** Ch6, turn, dtr into dtr, ch3, dc into dtr, Beaded Shell 1, dc into dtr, \*ch3, dtr into dc, ch3, dc into dtr, Beaded Shell 1, dc into dtr, repeat from \* until central stitch, (ch3, dtr, ch3, dtr, ch3) into central

You are welcome to make and sell items from this pattern. If you can give me credit for the pattern, please do!

st, dc in dtr, Beaded Shell 1, \*ch3, dtr into dc, ch3, dc in dtr, Beaded Shell 1, repeat from \* to end, ch3, dtr in 3<sup>rd</sup> ch of the ch6 loop, ch3, tr in same ch.

You will notice that the beads are appearing on one side of the work. As we want all the beads to appear on the same side, fasten off and rejoin into the first st made on ER5 to work in the same direction. If you are not adding beads, simply turn and work back along ER5 as usual.

**ER6:** ch6, \*dc in next dtr, Beaded Shell 2, repeat from \* to centre, dc in first dtr of centre two dtr's, work a Beaded Shell 1 into the centre of the ch3 between the two dtr's, dc in dtr, \*Beaded Shell 2, dc in next dtr, repeat from \* to end, ch3, dtr into 3<sup>rd</sup> of the turning ch from row below.

**ER7:** ch1, turn, (2dc) in ch3 sp (i.e. before the first dc), \*(2dc) in next ch sp, ch1, dc in next ch-sp, ch1, dc in next ch-sp (before the central dtr of the beaded shell 2), ch1, dc in dtr, ch1, dc in ch-sp (directly after the central dtr), ch1, dc in next ch-sp, ch1, (2dc) in next ch-sp, repeat from \* to centre, dc in next ch-sp, ch1, dc in next ch-sp (before the central dtr of the beaded shell 1), ch1, dc in dtr, ch1, dc in ch-sp (directly after the central dtr), ch1, dc in next ch-sp, \*(2dc) in next ch sp, ch1, dc in next ch-sp, ch1, dc in next ch-sp (before the central dtr of the beaded shell 2), ch1, dc in dtr, ch1, dc in ch-sp (directly after the central dtr), ch1, dc in next ch-sp, ch1, (2dc) in next ch-sp, repeat from \* to end, (2dc) in ch-sp, dc in 3<sup>rd</sup> ch.

Fasten off. Weave in all ends.

Block well to open out the lace v-stitch stripes and border edge (this ensures the edge will drape well).

### **Variations:**

The shawl is made from stripes of single crochet and v-stitch, which are varied in width such that the shawl becomes lacier towards the edges (this keeps it warm and snuggly round the neck whilst still being light and airy). If you wish to vary your stripes of lace differently, or make an even larger shawl, just remember to always work a multiple of 2 rows of v-stitch, and a multiple of 3 rows of single crochet. Then you'll always have the right number of stitches to work the next stripe and/or border.
